

BONG Guidelines 2024  
February 14, 2024

1. Must list a Tulsa location within 70 miles.
2. Post about your biz ONCE every 5 days. Unlimited posts on others and unlimited comments.
3. 3. No business pages allowed. We want to know the humans behind the biz.
4. If you sign up for an event or an appointment, show up for the event. If you can't make it, send an email, text, messenger, or phone call. Be a PRO.
5. Keep your posts about biz brief.
6. Attend events. It's the single purpose of the group. Meet people. Make friends. Money follows.
7. Check the EVENTS PAGE. CERTAIN EBENTS REQUIRE A TICKETED Reservation with EVENTBRITE.
8. Be nice to each other.
9. No "data collection" posts. Example: "Who are all my plumbers Where are my contractors."

MOST of these are scams attempting to use BONG for bad reasons. Take a moment, come to events, get to know them face to face. Yes, it takes longer. It also works better.
